Revolutionary Breakthrough Makes JSS-Tripler Indefinitely Sustainable!

When I first saw the ad above, I dismissed it as just another internet marketing ploy that wanted to take my money... I now wish I had taken a good look when I first saw it. You see... I had joined at least a dozen internet marketing sites that promised "quick riches". And like thousands of other marketers who wanted the "overnight success" I joined the programs... and they ALL eventually failed.

I am not a "newbie" to internet marketing, but I am also not a "guru". I can create websites, do SEO, know how to advertise ect... but the problem was not all my fault that these programs failed for me. I have learned, after years and many thousands of dollars, that the MLM's and Affiliate programs were truly built to make money ONLY for the creator of the site! But I am sure you already knew that, so let me explain why I invested my money with JSS.

I did join JSS, and placed a banner on one of my websites.... then I forgot about it. About a month later I started getting emails that my referrals were purchasing positions....alot of them!

I went to the JustBeenPaid Site (JSS Tripler is one of the programs of JustBeenPaid), and I got a BIG SUPRISE... I had money in my account... ALOT OF MONEY! I had one referral who purchased 100 positions!

I had to find out why someone would buy 100 positions in this program. So I took a closer look at this "program" to see what was going on. Well... what a fool I was to not see the amazing potential JSS Tripler offers. If you look at the Banner closely... see where it says EARN 2% per day -- 60% per Month, that is HUGE by itself. You cannot put your money into ANYTHING and Earn a 60% return on Your Money... ANYWHERE! Plus... you get a Two-Tier Referral Bonuses! Once Again... AMAZING!

So I decided to purchase 10 positions from the money my referrals had made me, I figured it was free money... lets give it a shot. To my astonishment (and relief), sure enough, my money was compounding daily at 2%. Every day I would log-in and see how my money was growing...EVERYDAY!

Just imagine... Actually Logging into Your Account and Seeing that You Have More Money in it than Yesterday, or the Day Before!

The More I Studied the JustBeenPaid Website and How it Worked, I was Simply Amazed. This was an Actual System that was Sustainable FOREVER! The Real Problem with MLMs Programs is that they can NEVER be Sustained for Long. But JustBeenPaid has figured it out!

Testimonials

I just wanted to say, with all sincerity, thank you for creating the JustBeenPaid! programs. Particularly JSS -Tripler -- which does **EVERYTHING** you promise -- and **consistently**. It is very exciting and motivating to log into my JBP account and see actual earnings (real spendable money) accruing (and with no effort or input from me).

The most important factor of JSS-Tripler is it's indefinite sustainability, so I can 'invest' with complete confidence knowing I will not be scammed... (again).

The products provided with the JBP program are more than worth the price of membership alone and the service and speed of JBP Admin is outstanding. This is the first online program I have ever made a clear profit with -- (usually I end up spending more than I earn on the Internet.) This is also the only program that I would -- and have -- recommended to my family and friends.

I want to thank you so much for all the incredible things you have done by making this wonderful system called JustBeenPaid!/JSS-Tripler/JBP's Synergy Surf!

I have been doing Internet marketing and different programs since 1997-98. And I have seen a lot of programs come and go. And I have lost thousands of dollars along the way. I actually almost gave up, just before I found JBP. But I kept going because I knew there had to be an answer to making good money on the Internet.

And in May 2011 I was introduced to JBP by Tom Haley. I joined JBP and upgraded, and over the course of a few days, I read everything Frederick had written and saw the videos he and Carl made for YouTube. And WOW, did my eyes get opened up! I almost couldn't believe how Frederick had figured out all the drawbacks of the other programs. But Frederick has done it! He has been able to implement a totally new profitable system that could work indefinitely! And since then I have started to make some really good money with JSS-Tripler and JBP's synergy Surf...

So thank you Frederick for not giving up, and by your perseverance, you found the "**The Answer**" to what all Internet marketers have been waiting for. A system that really can give us a consistent income that will keep coming every day, every week, every month, and hopefully even every single year!

I Joined JSS-Tripler in February and now I'm banking almost \$800 a week. Let me tell you, it feels real good to at last have an online business that I can call a real business. There is nothing difficult about it. If it was, I wouldn't be earning what I am, and it is increasing weekly.

Thanks Fredrick for this opportunity, please believe me when I say my family are very appreciative of it as well. if there's one person on the Internet that I would like to shake hands with and buy a beer it's Fredrick Mann. He's a genius with the heart of a lion. He wasn't afraid to get out there and put his ideas into practice even though it could have cost him big time. He makes us ordinary Internet marketers feel like professionals with the money we are making. Yes I'm very thankful for the likes of Fredrick Mann.
