**The One** Thing I have learned online in the Money Making World, is about being at the right place, at the right time, with the right products and with the right people.....

Every Great Program on the Internet Starts with Great Hosting, Great Marketing, and Great Advertising Systems!

## **GVO Hosting - What You Get**

The Main thing that we need to discuss is the hosting itself. GVO(Kiosk) has already built an unbelievable resume and is where a lot of the best Internet marketing gurus host their websites. People like **Mike Filsaime, Jeff Johnson, Frank Kern, Stephen Pierce, Michael Cheney, Tellman Knudson, Todd Gross**, just to name a few. What are we talking about.... dependability. These gurus can lose thousands of dollars a day if there sites are not working.

Have you ever had your hosting go **down on you?**

**I have** and let me tell you it always happens in the middle of a big promotion and you end up looking like an idiot.

The other reasons are because of the resources that are included with your hosting package.

Here is a list of what you get when you sign up.

- **Unlimited domain hosting**
- *Unlimited reseller account. (sell hosting accounts or give them to your clients)*
- **Lead capture and prospecting system**
- *Unlimited auto responder system*
- **Video marketing system**
- *Audio and video conference set up*
- **Web site monitoring**
- *Online free MLM coaching*
- **The best compensation plan in the MLM industry**

Those are the major points that come with the Titanium hosting plan.

These guys have a proven **12 year track record** and they over deliver.

## **GVO - The Business Opportunity**

Global Virtual Opportunities has the best commissions on the Internet. There are four ways that you can make money. The commissions are Monthly which makes GVO a great way to make money month after month.

The quick start bonuses are paid the first month only. You get 50% commission on every direct referral. Then after the first month you will make 20% commissions on all of your direct referrals.

**The hybrid matrix** pays you 5% commissions on all of the people that your referrals bring into GVO and that goes 10 levels deep. That can add up to a lot of referral money just with the 5% alone. Like all forced matrix plans, empty holes in the matrix get filled from above.

**What is spillover?** It means that you will get referrals from other people above you.

That is why in an opportunity like this...**Timing is Everything!** Join NOW, and Your success is almost Guaranteed.

Now here is the really cool part. You can lock your place in right now for **only \$1**. That will give you a 14 day trial which will also give you enough time to build your down line so that when the trial period is up, not only won't you need to pay anything, **GVO** will be cutting you a check.

**GVO** has free online training that will show you how to roll up the referrals and make a nice chunk of change. You will

have the best hosting available and it won't cost you anything. You'll be getting paid to use it. Now that sounds like a **win win** to me.

Now! Go **learn more about GVO** [Here](#) or you can sign up for the 14 day trial.

What have you got to lose. Spend a \$1 and if you aren't making money in 13 days then cancel. **The key to success is to get in now!**
